I have completed in excess of 3000 single family and condominium assignments ranging in both Cumberland and York counties. Values range from as little as \$50,000 to more than \$3,000,000. Most of these assignments utilized a "printed form" structure, but narrative reports have also been performed.

MULTI-FAMILY

Multi-family dwelling ranges from 2 to 4 units. These assignments are typically completed by utilizing a "printed form" type structure.

LAND

Individual house lots for residential dwellings have been performed.
